TIPS TO AVOID

ROMANCE

SCAMS

1.

ROMANCE SCAMS..

Romance scams occur when a criminal adopts a fake online identity to gain a victim's affection and trust. The scammer then uses the illusion of a romantic or close relationship to manipulate and/or steal from the victim.

2.

Be careful what you post and make public online. **Scammers** can use details shared on social media and dating sites to better understand and target you.

3.

Research the **person's photo** and **profile** using online searches to see if the image, name, or details have been used elsewhere.

4.

Go slow and **ask lots of questions.**

5.

Beware if the individual seems too perfect or quickly asks you to **leave a dating service** or social media site to communicate directly.

6.

Beware if the **individual attempts** to isolate you from friends and family or requests inappropriate photos or financial information that could later be used to extort you.

7.

Never send money to anyone you have only communicated with online or by phone.

WE ARE **INSTASAFE**

InstaSafe empowers organizations in their digital transformation journey, by enabling secure access of enterprise applications to users, with enhanced security, seamless experience, and minimal risk.

As an industry pioneer in Zero Trust, human-centric solutions, we, at InstaSafe have backed the belief that the center of security for businesses lie in the ability to enable workforces to unleash their potential, irrespective of where they are. Which is why we help organizations to fulfill their goals of productivity on scale, by simplifying the challenges of **SECURE ACCESS**.
